

## **What do I bring for baby's first day?**

- 3-4 bottles (can be left at center to be sanitized OR brought home each night)
- Pacifiers (if used)
- Diapers
- Wipes
- Diaper ointment
- Extra Clothes – we recommend 3-4 outfits including socks
- Formula or breast milk (at least enough for a day)
- Sunhat/sunscreen (if you authorize walks)
- A light one ply blanket (this will be sent home each Friday to be washed)

### **Please Remember:**

- Please label all items with child's first and last name.
  
- All creams and sunscreens to be applied require a completed medical authorization form and must be kept in their original containers with your child's full name on it.
  
- All prescriptions must be in the original containers with the patient's name, dosage and prescribed time to be given. The doctor must complete a medical form before medication can be administered.
  
- Please remember that our infant classroom can be air conditioned during the summer months – we ask you dress your child appropriately
  
- Any over the counter medications (Tylenol, Motrin, etc.) require a permission form from your doctor which must include the proper dosage for your child's weight, age and the reason why it is to be administered.

Please let us know if you have any questions! We are happy to help answer any questions you may have! We are excited to get to know your family!
